VASARI
The Natural Wall Plaster

**PLASTER SHOWER
SYSTEM**

Inspired by the beauty of the old centuries-old Tadelakt concept, Vasari Plaster Shower system is born.

An elegant alternative for showers and bathrooms, the Vasari Plaster Shower system is naturally beautiful with no seams or grout lines.

Fusing tradition and innovation, Vasari further improves the concept of Tadelakt with new modern-day technology, resulting in the Vasari Plaster Shower being more durable and easier to maintain.

Vasari Plaster Shower system can be applied directly on tiles or the usual skim coated wall. It is available in more than 50 colors and can be finished using smooth or medium textures that produce different vibes.
